Once again this is an amazing service and the only reason why I am goint to pass Calc.	12th
My only complaint is I had to wait for a tutor, but I understand that it is a popular service.	12th
This was really awesome. I've been struggling with calculus as it has been so long since I've taken an algebra course. But this really helped and they don't give the answers but make you think about the problem which is exactly what I wanted. Thanks for the service.	12th
It was a great session!!!	12th
She was a wonderful help and made me think about what I was doing.	12th
great!!!	12th
This was my first time using the online tutor. I was at home completely stuck on some algebra problems. I knew if I saw a tutor tomorrow it would be during my lunchbreak, therefore, missing lunch. I remembered my online algebra teacher posting about the online tutors. I didn't know how much help it would me but I was blown away! In my opinion, it's even better then an on-campus tutor. I love all of the features including the whiteboard and attachment option. Thanks so much! I'll definitely be using this again next time I need help.:)	College - Intro
Carrie H is a fantastic tutor! GIVE HER A RAISE OR SOMETHING! :) She is really great to visit with and help!!!!!	College - Intro
